

From the Cincinnati Enquirer.  
If Kelly's landing should pass, how would the individual, alluded to below, do for the 'Board of Control' Pennsylvanians would doubtless dispose of him cheaply.

John Rice, ex-President of the exploded Northampton Bank, passed through our town several days ago, (says the Eastern Argus of Thursday last) in custody of several constables, who committed him to the Lehigh county jail, to stand his trial at the next February term, for conspiracy to defraud the bank. It is said that he was taken in New York, where he was engaged in a candy manufactory.

A DOG ON A DOG.—The editor of the New York True Sun noticing a specimen of the canine or drover dog, says that this animal with the assistance of one man on horseback, will drive and control the movements of five or six hundred cattle in a drove. It perfectly understands its business, and seems to like it very much. The dog is of these drover dogs are very curious. They are easily trained, and what is singular, soon learn to divide a drove into sections, which they drive in different routes as required. If any individual of the drove goes into the wrong section, the dog will find it out and bring the animal back. In sheep driving the dogs will never bite the skin or even tear a lock of wool. They have a peculiar way of communicating their object by their bark. The drover's dog never attacks the throat of the animal it is seizing. It invariably snips at the heels, and at one or the other according to the direction it wants the animal to go.

WE learn by passengers that arrived here on the N. S. Swiftsure, that the new steam boat Meteor, Capt. Stout, struck a snag at the foot of 'The Sisters' and sank. She was loaded with tobacco. She was immediately raised, and arrived at Wheeling and discharged part of her freight in a damaged condition, and has since arrived at our landing.—Pittsburgh Age, 20th ult.

A minister having preached a very long sermon, as was his custom, some hours after asked a gentleman his opinion of it; he replied that, "Twas very good, but it spoiled a goose worth two of it."

MARYLAND U. S. SENATOR.  
Roverdy Johnson, of Baltimore, has been elected U. S. Senator from Maryland. This is the individual whose house was torn down by the populace of Baltimore for his connection with the exploded Maryland Bank, by which the mechanics and laborers of Baltimore were so shamefully swindled. The whigs seem to have a natural affinity for such men.—Statesman.

Pamphlets.—The latter writer at Washington of the New York Journal of Commerce knows just as much about the following matters as we do—and  
"All that we know is, that nothing can be known."

He says, however, and you may believe just as much of it as you please.  
"I predict that President Tyler will have a foreign mission—probably in London—under Mr. Polk's administration."

"I predict that Mr. Calhoun and Mr. Clay, as well as Mr. Webster, will come back to the Senate."

"I predict that Andrew Stevenson, of Va., will be the Secretary of State after the 3d of March next."

"I predict that the House, at this season, will pass some bill or joint resolution for the annexation of Texas, and that the Senate will reject it."

"I predict that thereupon Mr. Polk will immediately after his inauguration, issue a proclamation for an extra session of Congress to carry the annexation project into effect."

"I predict that, if Texas be not annexed in 1845, she never will be."

STATE OF OHIO, BROWN COUNTY, COURT OF COMMON PLEAS.

THE petitioner Lucinda Brown on this day filed in the Clerk's office of said county certain petition—praying to be divorced from the defendant Andrew J. Brown for the cause of willful absence for more than three years, and for other causes, all which are fully set forth in said petition. The defendant will therefore appear before said Court at Georgetown, on the first day of their next term and show cause, if he has any, why the prayer of the petition should not be granted.

LUCINDA BROWN, by D. G. DEVOE, her Solr.

ROAD NOTICE.  
A petition will be made to the Commissioners of Brown county at their meeting on the first Monday in March next for the laying out of a county road commencing at a point in the road leading from Romea mill to Georgetown, near the corner of the lands of James Ball and Jacob Leitz, thence with the line of Jacob Leitz and Samuel Jennings, Francis Pike, Daniel Bendall, George Balin, Stephen Ball and James Rice, to the land leading from Newmarket road to Ardmore, commonly called the old Newmarket road, where the land line of said James Rice crosses said road.

January 25th, 1845.—49.

STATE OF OHIO, HAMILTON COUNTY, COURT OF COMMON PLEAS.  
James Scott vs. Grisel Scott & others. Divorce.

PUBLIC NOTICE is hereby given that there will be a petition presented to the Commissioners of the county of Brown Ohio at their next stated meeting, praying for the vacation of that portion of the county road (commonly called the old Newmarket road) which lies between Grimes at Ardmore Middlemarket house in Byrd township in said county, and the crossing of Eagle creek by Samuel Bennington's house in Jackson township in said county; for the following amongst other reasons: Let a good county road leading by Coulter's Steam mill, and which cannot be dispensed with, run from the beginning point at near Middlemarket's to the point of termination near Bennington's, and the portion of the road to be vacated—and not to be apart at the widest point; and furnish every outlet necessary for the public without the expense of keeping in repair two roads.

THE Commissioners appointed at the last session of the Ohio Legislature to lay out and establish a State road from the town of Newhope in the county of Brown, near the residence of James McColl, to the town of Buford in Hamilton county, and Lynchburg in the county of Highland, and Martinsville to Wilmington in the county of Clinton, returned their survey and plat in favor of the establishment of said road to the Auditor of Brown county on the 4th day of September last, and at the last December meeting of the Commissioners of Brown county it was ordered that notice should be given to all parties interested in the establishment of said road, that the Commissioners of said county of Brown would hear the parties in favor or against the establishment of said road, and application for damages of any person or persons, on account of the location of said road through his, her or their lands, at their next March meeting.

STATE OF OHIO, BROWN COUNTY, COURT OF COMMON PLEAS.  
State of Ohio vs. James Givens & others. In Chancery.

BEFORE the 4th day of July A. D. 1844, the complainant filed in said Court her certain Bill in Chancery—setting forth among other things, that said Givens, on the 23d day of May 1841, executed two obligations to the complainant for 'Surplus Revenue'—one for the sum of \$100 with Benjamin Applegate and John Dixson security, and the other for \$300 with Daniel W. Applegate principal and John Dixson and Benjamin Applegate security; that upon the obligation first named the said Givens, on the 24th day of November 1842, paid \$200 of the principal, and that upon both said obligations the interest was fully paid including the installment due May 23d 1843. The bill further states that the better to secure said sums of money, the said Givens, on the 24th day of November 1842, executed a mortgage of that date to the complainant upon 221 acres of land lying in said county on the waters of Whiteoak creek, which said mortgage is properly conditioned for the payment of said sums of money and interest. The bill alleges that said obligations are due with arrears of interest, and that said Givens, before the execution of the mortgage aforesaid, executed a mortgage to the said Daniel W. Applegate for the alleged \$300 of said date, and 70 cents due April 14th 1844, to the defendant Henry Gill for \$1400 due April 17th 1844, to the defendant John Gill for \$300 due May 24 1843, to the defendant Ebenezer Watson for 103 dollars 45 cents due 9th September 1843, and to the defendant David G. Devore for 298 dollars 50 cents due four years from the 24th day of August 1843.

The prayer of the bill is, that said Court decree that the same be taken and stated of the amounts due upon said mortgages respectively, and that said real estate be sold to satisfy the same according to priority, and for general relief. And at the last October term of said court, it appearing to the satisfaction of the Court that the Defendants Williams, Gill and Watson are not residents of the State of Ohio, on motion ordered that notice of the pendency and prayer of the bill be published in the Democratic Standard, a newspaper published in said county of Brown, for six consecutive weeks prior to the next Term of said Court. Said defendants will therefore appear and plead, answer or demur to said bill according to the rules of said Court, or said bill, as to them, will be taken as confessed, and the matters therein decreed accordingly.

STATE OF OHIO, BROWN COUNTY, COURT OF COMMON PLEAS.  
Matthew Kinney vs. the estate of John Dunham, dec'd. In Chancery.

BEFORE the 4th day of April A. D. 1844, the complainant filed in the Clerk's office of said Court his certain Bill in Chancery, setting forth among other things, that at the May term of said Court in the year 1843, an Administrator of said John Dunham, he obtained a Judgment in said Court against the Defendant Benjamin Dunham for the sum of eight hundred and twenty eight dollars and eleven cents damages, and costs, taxed at six dollars and 90 cents. That said Benjamin had not paid said judgment or any part thereof, and has not personal or real estate subject to levy or execution sufficient to satisfy said judgment. The bill further states that said Benjamin has obtained a Judgment in said Court for the sum of seven hundred and half acres of land lying on Whiteoak creek in said county, with a grant and saw mill thereon, and also a house and lot contiguous to said property, purchased of said John Dunham, and that the judgment aforesaid was recovered for the balance of the purchase money for said property. The bill further alleges that the legal title to said premises is in the widow and heirs of said John Dunham to wit: Belle G. Dunham, widow of Alexander M. Dunham, Isaac M. Dunham, William E. Dunham and John H. Dunham, heirs of said John Dunham, dec'd; and that an allowance having been made to said widow in lieu of her dower, said premises are now wholly free in equity from her dower incumbrance.

The prayer of the bill is that the equitable interest of the said Benjamin Dunham in said premises be sold to satisfy the said judgment and costs aforesaid, and that upon the sale thereof the said widow and children be ordered and decreed to release and convey to the purchaser all their right and interest in said real estate; and for general relief.

Brown Common Pleas. John G. Brose, Admr. of John Hemmerle dec'd.

Henry Kendall, Fabina Kendall (late Hemmerle) John Hemmerle, Catharine Hemmerle & Joseph Hemmerle.

THE defendants will take notice that on the 8th of November 1844, a petition was filed against them in the Court of Common Pleas for Brown county Ohio, by John G. Brose, Admr. of John Hemmerle dec'd, in asserting that the personal property of said decedent is insufficient to pay the debts of the estate—that he died seized of 240 acres of land situated in Perry Township, in the county & State aforesaid part of a survey entered in the name of John Roberts number twenty six hundred & eighty seven (No. 2687). The petition prays, that so much of said land, as will be necessary to discharge the debts of said estate together with incidental charges, may be sold by the Petitioner, and that he be authorized to convey by deed to the purchaser. At the next term of said court the petitioner will ask for an order accordingly, when the defendants can make their objections, if any they have or can, against these proceedings.

New Map of Ohio.

The subscribers propose publishing a new edition of their map of the State of Ohio. This Map is compiled from the Surveys in the Surveyor General's Office at Cincinnati, in part by Mr. Samuel Morrison, whose skill as a draughtsman, experience and known accuracy are fully attested, not only by the present Surveyor General, but confirmed by the certificates heretofore attached to Robert T. Lytle, Esq., the predecessor of Mr. Haines; and will exhibit the sections, fractional sections, Virginia Military Surveys, principal roads, Public works and contemplated public improvements, together with the Lakes, Rivers, Indian Reservations, counties, Towns, cities and villages, which will be laid down with the greatest possible accuracy. There is no doubt that this map will contain the most accurate and authentic information of any state map ever published. One of the proprietors has visited every county in the State, for the purpose of gathering every information requisite to insure correctness. This fact of itself will necessarily give assurance to those who may patronize the map, that for real utility, it must supersede any map yet East, for the purpose of sale, but without the advantage of the personal inspection and labor that has been bestowed exclusively on this.

The size of the map will be between 4 and 6 feet square, neatly colored in counties, mountains and water, and sold to subscribers at the low price of six dollars.

Agents or companies taking ten copies, will be allowed a deduction of forty per cent.

DOOLITTLE & MUNSON. Engravers and map publishers, Cincinnati. Have examined the compilation made from the public surveys in this office by Mr. Morrison, for Messrs. Doolittle & Munson, who are about to publish a sectional map of the state of Ohio, and so far as they relate to the public Survey they are correct. ROBERT T. LYTLE, Surveyor General of Cincinnati. On the 16th day of November 1844 the Administrators of Anthony Evans dec'd, late of Brown county Ohio, filed their petition in the Clerk's office of Brown Common Pleas, alleging that on the 16th November 1842 said Evans exchanged 80 acres of land with Francis Pike, for 50 acres owned by the latter; that said Evans died without completing said contract; that Pike has complied with it on his part, and asking the Court to give them authority to complete the exchange on behalf of said Evans's heirs. At the Term they will move said Court to grant them such authority; and said heirs can then make known any objection they have to these proceedings.

HAMER & JOHNSON, For the Petitioners.  
Nov. 16th, 1844.

Jew David's, or Hebrew Plaster.

THIS is becoming one of the most popular medicines now before the public. For removing all seated pains, such as rheumatism in the back, side, or breast, it has no equal in the world. It is also efficacious in removing wens, tumors, corns, &c. We do not design to publish this medicine with old fraudulent certificates, but will mention a few recent cures, here it has effected its uses.

Mr. Sloan, of New Orleans, after having suffered with Rheumatism for three years, was cured by using the Hebrew Plaster.

Mr. Anderson of Putnam, was troubled for a long time with a lame back, occasioned by over exertion, and was cured by using this plaster.

A man (name not recollected) of Gratot, in Licking county, was entirely cured by using this plaster.

The following certificate from Mr. Worrell, Editor of the Madison Gazette, was furnished us a few days since:

Messrs. Comstock & Co.—During last winter and spring, I was troubled with a pain in my breast, to render me unfit for the duties of the office; and hearing your Jew David's or Hebrew Plaster, highly recommended, for similar cases, I was induced to give it a trial. I had worn a plaster on my breast but a short time when all the pain ceased, and I was enabled again to engage in the duties of the office. My sister residing in Steubenville has also received much benefit from it.

Madison, Nov. 12, 1843.  
Messrs. Comstock & Co.—Last Spring I was afflicted with weakness in my back, accompanied with a severe pain in my side, for which I used your Hebrew Plaster, and I take pleasure in stating that I received immediate relief from it, and I cheerfully recommend its use to all similarly afflicted.
